Deb, I spoke with Jim Woods a few minutes ago. He's interested in attending the Portland Harbor prep-meeting. He asked that I work with Michele Rodriguez to get on his calendar. He also asked if he could meet with me for 20 minutes this week to give him short briefing of the site. I told him I'd set that up as well. I'm hoping either you or Kristine? can come with me. I also plan to send Jim the letter the Yakama's sent us and any other background info that'd be helpful. Probably similar to what is being sent to Yakama's. Any assistance with that would be great. I listed a couple things below I thought of for background material. Joanne

Some background info may include:

- draft? FS (with info on cleanup alternatives) and stakeholders and who wants which alternative
- will the remedy "restore & protect Yakama Nation's treaty resources in Willamette & Columbia Rivers"?
- what are the Yakama's treaty resources?
- cost for cleanup alternative(s)

It would be great if you'd come. I've only done a couple of consultations in my entire time in ECL. Rose Longoria told me she usually calls Jim Woods and invites him to the G to G meeting. Glad she told me because I doubt I would have thought of it (my bad!). I haven't worked with him much, have you? Would you mind calling him and giving him a heads up about the prebriefing. We should probably invite him to the prebriefing. What do you think?

Hi Deb, I just accepted the invitation for the Portland Harbor G2G prep meeting on Dec 19th. Lately I've been assisting with these type meetings but I don't normally go. I'd really like to though and given I don't see any Tribal office attendees I'm hoping I can be useful somehow. Unless I hear otherwise I'll keep it on my calendar and will plan to go. Thanks, Joanne

Hi Matt,

Thanks for the date. I'll call Rose Longoria with the Yakama Tribe and let her know. Now that we have the date, we will finalize a written response to their G to G letter in CMS and send through our concurrence chain and get it up to you for signature. And I'll watch for an invitation for the prep meeting

Deb - Dennis is available to attend the January 3rd council meeting. I will block the day on his calendar. We will need to do a prep for this meeting during the week of December 17th - I'll send an invite for the prep meeting shortly.

Kristine,

The week below is the week that Matt identified is good for Dennis. I called Rose Longoria this morning and left a message asking her if this week works for the Yakama Tribe. Once I hear back from her....we need to get a day and time, then we can let Matt know and then send the formal response out under Dennis signature.

Hi Deb:

Why don't you let the Tribe know that Dennis could be available on Jan 22-25th. He's wide open that entire week (for now) so if there's a date that week that works well, let me know and I'll book it.

Hi Matt,

I'm checking on the status of a letter from the Yakama Tribe requesting G to G consultation on Portland Harbor. I understand we're waiting on a date from you in January where Dennis can do meet with them. Can you give me a time frame on when you'll be able to give us a date. I want to make sure the Yakama staff person knows we're still working on this. We've had the letter quite a while.

Thanks!
